ANTHURIUMS

We are introducing these very desirable foliage
 plants to the trade with the recommendation that
 they will prove to be one of the hardiest of the
 indoor plants. The habit of growth is unusual
 and interesting.

Anthurium caribbea: Heart-shaped leaf born on stems arising
 from the base of the plant. Slow growing, excellent
 for interior. 5" pot \$2 -- 6" pot \$3.50

Anthurium Huegeli: Plant resembles the Bird's-Nest Fern.
 Leaves have very heavy texture. A specimen plant.
 6" pot \$4 and \$5 each

ANTHURIUM CRYSTALLINUM: Has long been a rare plant and ex-
 ceedingly choice one. The finest of all the foliage
 plants. 6" pot \$7.50
